REPORT ON SEPTEMBER RADIO CLUB MEETING

The Macon County ARC decided that there were not enough members available to hold the annual Fall Picnic, so we met at the Macon Apple Basket for our meal and held the meeting there. There were 8 people at the meeting which included two guests.

Club President Jesse Jones, KDØETU called the gathering to order and Charles Roberts, WBØHLW gave the Treasurer's report.

Some of our members were absent due to their attending the Zoom Town Hall Meeting of the Midwest Division of the ARRL which was held at 7:00 p.m., the same time as our meeting. The members were reminded that on Oct 9 and 10, the Midwest Division Convention will be held in Sedalia, MO. Some of the members present indicated that they planned to attend. The main topic was the planning for the Lester Dent – Doc Savage

Special Event that will be held the week end of Oct 17th - Oct 19th. We will set-up the stations and antenna at the Round House at 8:30 am and begin when they are operational. The Triband beam was operated in 2026 as a triband monobander. It worked pretty well.

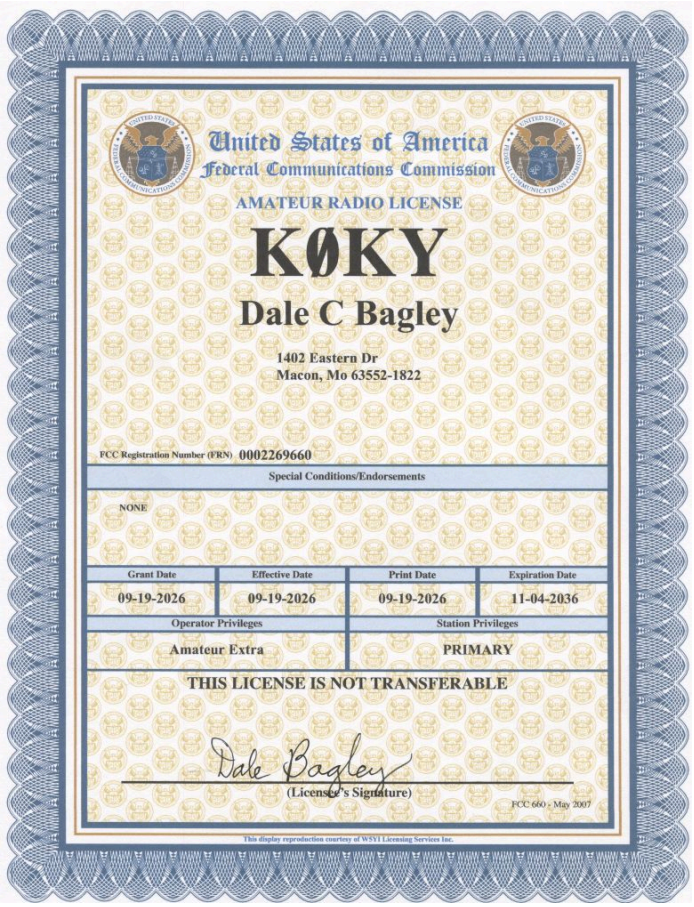

Figure 1 WØD OPERATORS JESSE, CHRIS & ERIC

Figure 2 DOC SAVAGE POSTER signed by RON ELY The Doc Savage Actor.

Dale Bagley, KØKY, reported that he had used the W5YI company to renew his license. He acknowledged it was a little pricy, but considering the problems some of our members have had trying to navigate the New FCC website, he felt it was worth the money to not have the stress.

The Missouri Repeater council will meet at the Nixa Hamfest on November 14, 2026 at 9:00 a.m. We need to have a representative at the meeting if possible. There will be an election of new offices at that meeting. We need to check if we have paid our yearly fee to support the Council.

At the October meeting we will discuss the Radio Club Christmas Dinner and Nov. Club Meeting date. See you at the Meeting I hope.
